

INTRODUCING THE NEW... **CHAMP**

STREET CAPS™

Easily convert your shoes to casual, dress or teaching shoes.

Hi-Tech Polymer Traction Surface

Reinforced Dual-Pin Wrench Holes

Slip-Resistant Tire-Tread Design

Dual Durometer Construction

To Remove:
Remove golf spikes with a quick quarter turn counterclockwise using a hand wrench.

To Insert:
Firmly insert street caps into golf spike receptacle. A simple clockwise turn with slight downward pressure locks street caps into place.

Available in
Disk Packs™ of 20 street caps for Q-LOK® System, Tri-LOK® System and 22 street caps for Small Thread key wrench included
Bowl 500 • Box 1,000 • Box of 5,000
