

# CHAMP® Spikes Dominates and Add 3 Wins Across All Tours.

*CHAMP Selected by World's Best Golfers.*

Marlborough, MA - CHAMP®, the company known for being the leader in innovative traction technology, has a landslide finish this weekend taking three wins as well as heavy domination of players over all other brands.

The #1 Brand on Tour, CHAMP, proved this weekend as to why most players choose the brand by winning at the Memorial PGA Event, the Wales Open and the Titan Tire Challenge Futures Tour event in Marion Iowa. Impressive statistics such as over 50% of players at the PGA Memorial, 74% of the field in Wales, and an outstanding 90% at the Futures Tour event prove why CHAMP is consistently the brand of choice of professional golfers.

"CHAMP congratulates the winners at these three events for their outstanding accomplishments. We are certainly pleased and grateful to have them competing using our products." states Harris MacNeill, President and CEO of MacNeill Engineering/CHAMP. "Each winner left a mark in history with their win. Memorial had an exciting win by one stroke for his 67th win. In Wales, it was a first time winner on the European Tour, and in similar fashion a new winner on the Futures Tour

finishing ten stokes above her closest competitor. No matter where the course or what conditions we are proud to say CHAMP is a brand of the best competitors in the world. For that we are extremely proud."

CHAMP is the premiere brand of MacNeill Engineering Worldwide, which has been designing and manufacturing athletic footwear components since 1931. The Company has been a pioneer in cleat technology since it introduced the world's first locking spike: SURE-LOK. Since then, MacNeill Engineering has grown to be The World Leader in the Sport Cleat industry with revolutionary offerings which include the CHAMP Q-LOK System®, the CHAMP TRI-LOK® system, as well as the most complete line of innovative spikes in the world, including the CHAMP Scorpion STINGER™ spikes and CHAMP ScorpionSpike®.
