

CHAMP® Spikes Celebrates 10 Years With Duramed Futures Tour

Winner Jean Reynolds Wins In Stinger™

Marlborough, MA -CHAMP®, The World Leader in Sport Cleat Technology, has another successful week as the winner of the Florida's Natural Growers Charity Classic won in the Stinger spike. CHAMP has been a sponsor the Duramed Futures tour for 10 years and the support from the players proves that CHAMP spikes are an important part of their equipment.

"We are thrilled to celebrate our 10th year sponsoring the Duramed Futures Tour. The players who have come up through this tour are some of the best women golfers in the world. We are proud to support these players with our products as they compete each week and prepare to compete for their LPGA membership." states Harris MacNeill, President and CEO of MacNeill Engineering/CHAMP. "There is no doubt that we have seen the benefits of this venture. We have seen that the players understand that CHAMP products offer the best traction, durability and true value of all spikes offered and as players move onto the LPGA Tour, they all choose to stay with the best."

CHAMP is the premiere brand of MacNeill Engineering Worldwide, which has been designing and manufacturing athletic footwear components since 1931. The company has been a pioneer in cleat technology since it introduced the world's first locking spike: SURE-LOK. Since then, MacNeill Engineering has grown to be the world leader in the sport cleat industry with revolutionary offerings which include the CHAMP Q-LOK System®, the CHAMP TRI-LOK® system, as well as the most complete line of innovative spikes in the world, including the new CHAMP Scorpion STINGER™ spikes and CHAMP ScorpionSpike®.
