

# CHAMP® Records 60% of the World Rankings Top 50

*PGA Pros continue to use the #1 Brand on Tour.*

Marlborough, MA - CHAMP®, the company known for being the leader in innovative traction technology, documents that based on the results of April's World Golf Ranking published by Golf

World Magazine, 60% of the top fifty players wear CHAMP products. CHAMP is proud to have the top players globally wearing their performance spikes knowing it's a true testament to the products the company provides.

The #1 Brand on tour, CHAMP, consistently sees positive results via the Darrell Survey which supports the statistic that the top Fedex Cup golfers also compete in CHAMP spikes. These statistics confirm the mission statement of the company which is to provide golfers with superior spike products to enhance their golfing experience.

"We are almost mid year in the golfing season. CHAMP could not be more proud at how this year has started. We have had numerous winners on the PGA, LPGA, Nationwide and Duramed Futures Tour. Week after week CHAMP continues to dominate most fields which supports our being the #1 Brand on tour." states Harris MacNeill, President and CEO of MacNeill Engineering/CHAMP. "The support of all of these golfers as well as the top footwear companies is overwhelming however, we know we have done what has been asked of us: to provide golfers with quality spikes which allow them to perform at their best."

CHAMP is the premiere brand of MacNeill Engineering Worldwide, which has been designing and manufacturing athletic footwear components since 1931. The Company has been a pioneer in cleat technology since it introduced the world's first locking spike: SURE-LOK. Since then, MacNeill Engineering has grown to be The

World Leader in the Sport Cleat industry with revolutionary offerings which include the CHAMP Q-LOK System®, the CHAMP TRI-LOK® system, as well as the most complete line of innovative spikes in the world, including the CHAMP ScorpionSTINGER™ spikes and CHAMP ScorpionSpike®.
