**CHAMP® Spikes Wins Three**  
**CHAMP is the Spike of Choice by Winning Professionals.**

*Marlborough, MA* – As Mother Nature continues to show a dampened spirit at another PGA golf tournament, CHAMP, the company known for being the leader in innovative traction technology, is proud to announce another winner playing in CHAMP spikes. In addition 7 of the top 10 wore CHAMP Spikes with these impressive results marking the 22<sup>nd</sup> PGA Tour win this year.

The Duramed FUTRES Tour event felt similar wet weather with rain delays and suspended play at the USI Championship. The forecast however did not stop Misun Cho from adding her second trophy to the shelf and the 12<sup>th</sup> Duramed Futures Tour win for CHAMP spikes.

At the Evian Masters, the winner won in a one-hole playoff where the runner up played in a spike from the ScorpionStinger™ Collection. Equally impressive was the runner up for the SAS Masters in Sweden where the 2<sup>nd</sup> place finisher wore CHAMP brand products along with 70% of the field.

“CHAMP congratulates all of these winners on their victories. We are proud to have these champions choose CHAMP spikes as they battle for the trophy in some difficult weather conditions.” states Harris MacNeill, President and CEO of CHAMP/ MacNeill Engineering. “As the #1 Brand on Tour we know that no matter what conditions these golfers face they can be secure knowing that our spikes will give them undeniably the best traction and durability available.”

CHAMP is the premiere brand of MacNeill Engineering Worldwide, which has been designing and manufacturing athletic footwear components since 1931. The Company has been a pioneer in cleat technology since it introduced the world’s first
