CHAMP® Spikes Shows Remarkable Numbers at Chevron World Challenge

Marlborough, MA – CHAMP, the #1 Brand on Tour, continues to have dominance at PGA Tour events as the last tournaments of the year are being played. In a field of 18 players, CHAMP spikes were on 15 players as well as the new 2009 Chevron World Challenge Champion. These statistics are once again heavily dominated by over 60% in the CHAMP Scorpion Stinger™ spikes.

"We congratulate the winner on this fantastic win at the 2009 Chevron World Challenge. It was exciting for us to have 83% of the field at this week's event." states Harris MacNeill, President and CEO of CHAMP / MacNeill Engineering. "The support from the professional tour golfers has been extremely consistent for us this year. We are thankful to the players for their support and we look forward to continuing to be their choice for superior footwear traction as we head into the 2010 golf season."

CHAMP is the premiere brand of MacNeill Engineering Worldwide, which has been designing and manufacturing athletic footwear components since 1931. The Company has been a pioneer in cleat technology since it introduced the world's first locking spike: SURE-LOK. Since then, MacNeill Engineering has grown to be The World Leader in the Sport Cleat industry with revolutionary offerings which include the CHAMP Q-LOK System®, the CHAMP TRI-LOK® system, as well as the most complete line of innovative spikes in the world, including the CHAMP Scorpion STINGER™ spikes and CHAMP ScorpionSpike®.
